

TEAM UP FOR TUCSON

By protecting
Tucson Police Department's
K-9 graduates with Kevlar® vests!

These 3 dogs will be working mainly with the Tucson SWAT team and are trained to detect drugs, sniff out bombs and search for suspects. *They won't hesitate to put their lives on the line.*

LET'S GIVE THEM THE PROTECTION THEY NEED & DESERVE WHILE MAKING TUCSON A SAFER PLACE.

Let's not let our police dogs become statistics:

12/12/12 Ivan died of a bullet wound (AZ)

12/11/12 Nash died from a fatal gun-shot (ATF)

8/20/12 Magnum died from 2 bullet wounds (IN)

7/26/12 Kilo died from a gun-shot wound during a shoot-out in a neighborhood (IN)
